Journal - Office of Legislative Counsel  
Thursday - 3 June 1976

6. [ ] LIAISON Jane Murkin, Secretary to Senator Birch Bayh (D., Ind.), called to say that since the Senator is hospitalized and will be out for several weeks, she wondered if Mr. E. H. Knoche would like to meet with a member of the Senator's staff. I told her I didn't think so, that Mr. Knoche was interested in meeting the Senator himself. I said if Mr. Knoche does want to meet with a staff member I would call her back.

8. [ ] LIAISON Called Barbara Bacon, Assistant to Emelio Daddario, Director of the Office of Technology Assessment, and made final arrangements for Daddario's talk before the DDS&T Career Course on 4 June.

9. [ ] LEGISLATION Called John Childers, Minority Counsel, Senate Government Operations Committee. Childers agreed to provide me a copy of the transcript of the mark-up session of the Committee's consideration of S. Res. 400.

✓ 10. [ ] LEGISLATION Delivered a copy of the unclassified nonattributable fact sheet on H.R. 214, the Right to Privacy Act of 1976, to Mr. George Armstrong, on the staff of Representative John M. Ashbrook (R., Ohio). Mr. Armstrong had some questions about our opposition to the bill; we also discussed the prospects for the bill and I reiterated to him our concern that any arguments against H.R. 214 during committee consideration be made in an objective and generalized manner.
